

24 August 2010

Dear Academy Families,

Now that summer is almost over we hope that everyone is getting excited about the new school year. The Parents Association welcomes back all parents, students, and staff to the 2010-11 school year at Harrisburg Academy. We would like to give an especially warm welcome to all of you who are new to the school. We look forward to getting to know you.

As a parent of a child attending the school, you are automatically enrolled in our Parents Association — no sign-up fees or dues necessary!! The Parents Association plays a significant role in sponsoring and supporting volunteer activities for students, their families, and our greater community. There are numerous opportunities for parents to be involved in the Academy community. Please review the 2010-11 brochure listing for the Parents Association's yearly events and determine which ones are a good match for your gifts of time and talent. There is something for everyone wishing to get involved, big and small.

We would like to take this opportunity to introduce the Parents Association Board members for this upcoming year and inform you of the meeting dates. It is at these meetings we vote on what requests to spend our monies on, so this is a great time to have your voice heard. If you have any questions please feel free to contact a Board member.

Great American is our annual fall fundraiser this year. We will be distributing the catalogs in September. Great American is a quality product and we are hoping to raise over \$4,000 in profit this year. We receive 50 percent profit of total sales. You will also be able to purchase online. The Great American rep will be in school the first week of October so you can see samples of the gifts and taste the yummy chocolate!

Please do not hesitate to contact any of the Board members with any ideas or concerns that you may have. We always welcome feedback on what we do.

We look forward to another great year at the Academy!

Sincerely,

The Harrisburg Academy Parents Association Board
