

Middle School Afterschool Program

Harrisburg Academy's Afterschool Program provides a service to families who need to have a child remain at school beyond the school day. For 2011-12, we will continue to offer this option without a daily or hourly charge. However, because registering in advance is important for planning and safety reasons, we are implementing an annual registration fee of \$75.

The time period from 3:00 until 3:45 p.m. will continue to be designated as tutoring time. If a student is meeting with a teacher and will be picked up prior to 3:45 p.m., registration will not be necessary.

To register, please complete the form below and return it to the Business Office with your check payable to Harrisburg Academy in the amount of \$75.
