Harrisburg Academy Announces \$30,000 IB Scholarship Opportunity

WORMLEYSBURG, PA – When Harrisburg Academy considered implementing the globally recognized International Baccalaureate Diploma Program (IB) into its curriculum in 2005, the school’s faculty and administrators anticipated — and achieved — success. Three years later, the school is excited to expand on its tradition of being on the forefront of global education with a unique opportunity for IB Diploma candidate students.

Harrisburg Academy is thrilled to announce a \$30,000 initiative (four grants of \$7,500) for a new merit-based scholarship program in its Upper School. While some independent schools have tuition-based merit scholarships, Academy students will have the opportunity to use scholarship funds to share the world outside of walls.

The four \$7,500 scholarships will be awarded to two current students and two prospective students who will be entering 11th grade in the fall. The award will defray the cost of IB Program fees and an educational summer study program of the respective student’s choice between 11th and 12th grade. Remaining scholarship money (up to the \$7500) will go towards off-setting his or her tuition in 12th grade.

Interested applicants should contact the Admission Office to obtain an application. The deadline for submitting all applications materials is May 10, 2010. Harrisburg Academy will announce the scholarship recipients in June.

Harrisburg Academy challenges and inspires children in preschool through 12th grade to reach their full potential. An IB World School, Harrisburg Academy is the only school in the greater Harrisburg area to offer the International Baccalaureate Diploma Program. This school year, Harrisburg Academy is celebrating its *Triple Anniversary* – 225 years since founding, 200 years since chartering, and 50 years at its location at 10 Erford Road.
