

## **Thank you Academy Parents, Alumni Parents and Alumni...**

Your support of our 225<sup>th</sup> anniversary celebration is appreciated! Because of you, we raised over \$127,000 for Academy programs and improvements to the John Crain Kunkel Athletic Field. It was a memorable night to celebrate what makes the Academy special.

The Gala Committee has designated the Hold 'Em High funds and work will begin over the summer. Through the generosity of many, \$44,650 in improvements has been planned. This includes establishing water access to the fields and a water wheel to maintain the fields, new bleachers for the soccer fields, and resurfacing the tennis courts. The goal over time is to continue to enhance this area and add electrical service, restroom facilities, and a concession stand.
