Harrisburg Academy Celebrates Parents and Hosts Ribbon-Cutting Ceremony for Remodeled Meeting Room

WORMLEYSBURG, PA – Harrisburg Academy was pleased to dedicate its newly remodeled Meeting Room at a ceremony on May 30, 2018. Parents Association (PA) leadership, business owners, and parents came together to celebrate a year of successful partnership with the school in support of students and faculty.

The Meeting Room is available for use by the entire school community — lectures, movies, meetings, presentations, and classes are frequently held in the space. The PA funded the remodel and secured additional donations from A Touch of Color and Studio A Design Group. George Book, Jr., president and CEO of the West Shore Chamber of Commerce, attended the event and provided ribbon cutting materials.

The room dedication was celebrated in conjunction with a year-end social event thanking the parent community for dedicating time, talent, and treasure to the PA in support of programs, fundraising, and school community activities.

Established in 1784, Harrisburg Academy is the 17th oldest non-public school in the nation and Harrisburg's only independent school. Our coed, diverse school community inspires students from age three through 12th grade by providing an academically challenging and globally minded liberal arts education focused on dynamic classroom experiences, strong student outcomes, and a commitment to character development. The Academy proudly stands as the first school in the greater Harrisburg area to offer the International Baccalaureate Diploma program and merit scholarship.
