Harrisburg Academy Student Earns Semifinalist Status in 2017 National Merit Scholarship Program

WORMLEYSBURG, PA – Harrisburg Academy congratulates **James T. '17** as a Semifinalist in the 2017 National Merit® Scholarship Program.

The National Merit Scholarship Program (NMSPP) honors individual students who show exceptional academic ability and potential for success in rigorous college studies. The pool of Semifinalists, representing less than one percent of U.S. high school seniors, includes the highest-scoring entrants in each state.

Of the 1.6 million students who entered the 2017 competition by taking the 2015 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT®), only 16,000 were named as Semifinalists. These academically talented high school seniors, including James, have the opportunity to continue in the competition for some 7,500 National Merit Scholarships worth \$33 million that will be offered next spring.

“In light of the recent significant changes to the PSAT, it is reaffirming to know that Harrisburg Academy’s core educational philosophy continues to prepare our students to compete at the national level among other high school students,” said director of college counseling, Keo Oura Kounlavong-Sabath.

“We’ve been preparing our students in the classroom for whatever changes the future brings,” she added.

National Merit Scholarship Corporation (NMSC), a not-for-profit organization that operates without government assistance, was established in 1955 specifically to conduct the annual National Merit Scholarship Program. Scholarships are underwritten by NMSC with its own funds and by approximately 420 business organizations and higher education institutions that share NMSC’s goals of honoring the nation’s scholastic champions and encouraging the pursuit of academic excellence.
