

Welcome to the 2019 Fall Sports Program at Harrisburg Academy!

The Varsity Girls' Tennis, Varsity Girls' Soccer and Varsity Boys' Soccer teams will begin Aug. 12, 2019. The Middle School Boys' Soccer teams will begin Monday, Aug. 19, and Middle School Cross Country will begin Sept. 9. Please be sure to bring your own water thermos to each practice.

Uniform Cost

Soccer: Shorts are \$25 each and socks are \$7.50 each (total \$65.00). During the pre-season practices the coaches will take orders for the socks and shorts for the soccer season. You will need a set of blue shorts/socks and white shorts/socks. You may use last year's if they are in good repair. Make checks payable to Harrisburg Academy. Cash is acceptable in an envelope with the player's name. Multiple sets are not available until each player is equipped. We purchase in bulk from Angelo's Soccer Corner in order to offer a discounted price.

Tennis: Tennis uniforms are bought individually. Please purchase a white skirt and navy blue shirt. Coach Riz will clarify this during pre-season practices. You may use last year's uniform or order. Please purchase a team shirt through Ms. Serino for the matches. The cost is \$25 and you may wear this shirt to school on match days.

Feel free to contact Coach Riz if you would like lessons this summer.

Middle School Cross Country: Team Shirts are \$25 each. Each member must purchase the shirt. This is a part of the team uniform for meets.

Schedules

Schedules are located on the athletics page of the school website. Schedules are subject to change throughout the seasons.
